

PVC Strip Curtains

Make your facility safer, quieter, and more energy-efficient by protecting your entry ways with MANCO strip curtains and Sliding doors.

In addition to providing excellent climate control, they improve worker comfort and represent an economic alternative to high-cost noise control materials.

Benefits of using MANCO PVC Strip Curtains and Doors

- Can be installed in minutes
- Conserve conditioned air, even in high-activity areas
- Reduce heating and refrigeration costs
- Reduce noise levels
- Easy to clean and maintain

Committed to Quality

Many years of Strips experience have shown us that to meet the high standards of our customers, we must perfect even the smallest details. Consistency is what we strive for through-out the Distribution process.

Dedicated to Innovation

Through innovation and design, our goal is to make our products simple, quick and easy to use. We understand that a company's true value is in the problems it solves for its customers.
